Please include a link to no more than five examples of your previous work.

This can be a link to a URL or a file accessible through Dropbox.

1) Describe the development of your creative practice over the last 3 years.

Areas you might want to cover: how has it developed, what is its current status, who is the audience/customer for your work, how do you earn money, what are the biggest challenges you face.

300 words max.

2) What is your ambition for the next five years and beyond?

200 words max.

3) Describe the project or idea you would like to work on during this programme and how it will support the ambitions you've set out above.

Include a rough indication of budget (this can be a range).

300 words max.

4) What makes your work innovative or interesting? How has it influenced others?

200 words max.

5) Describe the role of technology in your work?

200 words max.

6) Describe your making skills (e.g. tools, techniques, materials that you work with) and those you would like to develop in the future and why?

200 words max.

7) Why are you interested in MVWORKS? And Makerversity?

200 words max.

8) Which professional support are you most interested in working with during the programme?

☒ Coach  
☒ Producer  
☐ Promoter

☒ Not sure which one  
☐ None of these

9) What skills, experience, training would you find most useful for your work?

10) What book or film do you want to go into the MVWORKS library and why?

11) Are there people that you would recommend as coaches, producers or promoters? If so, please provide details.

12) How would you describe yourself?

☐ Artist  
☒ Maker  
☐ Designer  
☒ Technologist

☐ Entrepreneur  
☐ Engineer  
☐ Other - please specify:
